Venue: Bioinformatics Training Room, Craik-Marshall Building, Downing Site, University of Cambridge. (<https://maps.google.co.uk/maps?hl=en-GB&q=Craik-Marshall+Building,+Dow...>)

Stansted airport is about 30 - 40 mins from Cambridge and is easily accessible by car, train or bus.

If travelling by car from Stansted airport take the M11 northbound until you reach signs for Cambridge. Public transport from the airport is also available via National Express coach buses ([Coach travel to Cambridge | National Express](#)) or overland trains (<http://www.nationalrail.co.uk/>) from Stansted to Cambridge.

If travelling by car from other areas of the UK, use the A14 and M11 highways as easy references when searching google maps (<https://maps.google.co.uk/>) for directions.

Cambridge station is 1.5 miles from the venue and is an easy 20 minute walk. Taxis and buses are also available, picking up just outside the station. The Citi 1, 3 and 7 bus services run to and from the City Centre.

There is no car parking at the venue and the local public car parks are expensive. The nearest is the Grand Arcade parking which is 0.5 miles, about a 3 mins walk away from the venue. A better option would be to park at one of the Park and Ride facilities surrounding Cambridge and catch a bus into the city centre. This still costs but not as much as the city centre parking. The journey in will take around 40mins depending on the time of the day and traffic conditions, so allow plenty of time.

The local bus services around Cambridge are plentiful. For maps go to [Maps | Stagecoach \(stagecoachbus.com\)](#)
